

## Joseph Stewart

Senior Manager, The Biosimilars Council  
Association for Accessible Medicines (AAM)

Joseph Stewart is the Senior Manager for the The Biosimilars Council, a division of the Association of Accessible Medicines, which works to support the broad components of the biosimilar industry and to enable patients increased access to safe, effective and affordable biosimilar medicines.

Previously, Joseph worked as a federal government relations consultant at a boutique lobbying firm on Capitol Hill, whose portfolio of clients included voluntary health agencies, physician societies, pharmaceutical companies, specialty pharmacies and health profession schools.

Joseph received his Bachelors of Science in Public Communications from American University in Washington, D.C.
