Engineering the Future of Generic + Biosimilar Medicines

JOIN US

We heard you. AAM listened to our members and conference attendees and have created the ultimate event for the industry: GRx+Biosims 2018. We're uniting the power of innovation, science and policy to increase patient access to generic and biosimilar medicines. Featuring a comprehensive program, top-in-their-field speakers and the opportunity to network with peers from around the world, this is an event you won't want to miss.
