

The background of the top half of the page is a photograph of the U.S. Capitol building in Washington, D.C., under a clear blue sky with some light clouds. The building's iconic dome and classical columns are prominent. An American flag flies on a tall pole to the left of the building. A large blue rectangular box with white text is overlaid on the lower part of the image.

Membership is available only to organizations. We do not offer individual memberships.

AAM Regular Members

A corporation, partnership or other legal entity whose business in the United States consists of the development, commercialization, manufacture, sale and/or marketing of finished dose products with twenty-five percent (25%) or more of its net revenues, manufacturing volumes or pipeline investments relating to:

- (1) products described in Abbreviated New Drug Applications filed with and approved by the U.S. Food and Drug Administration (the "FDA") under section 505(j) of the Federal Food, Drug, and Cosmetic Act ("FDCA") (hereinafter, "ANDA Products");
- (2) generic products marketed pursuant to section 505(b)(2) of the FDCA (hereinafter "505(b)(2) Products");
- (3) biosimilar products, as defined in Section 351(k) of the Public Health Service Act (hereinafter "Biosimilar Products");
- (4) Drug Efficacy Study Implementation products (hereinafter "DESI Products"); or
- (5) any other products sold as authorized generic drugs in the U.S (hereinafter "Authorized Generics").

Dues are proportional to the size of the company and are based on the company's reported annual U.S. revenue with a minimum and maximum established by the AAM Board of Directors annually. Please email AAM.membership for more details.

AAM Introductory Regular Members

The qualifications are the same as an AAM regular member (see above). However, annual U.S. revenue must be \$50M or less. Membership term is limited to one year. Dues are 50% of the minimum dues established by the AAM Board of Directors annually. Please email AAM.membership for more details.

AAM Associate Members

Corporations, partnerships, associations or other for-profit entities allied with the interests, needs and policy positions of the generic pharmaceutical industry. May include, but are not limited to, CROs, distributors, consultants, pharmaceutical brokers, PBMs and administrators, health insurance providers, non-profits and other supporting products or service organizations. Please email AAM.membership for more details.

Biosimilars Council Regular Members

A corporation, partnership or other legal entity whose business in the United States consists of the development, commercialization, manufacture, sale and/or marketing of biosimilar products. An AAM regular member may also be a Biosimilars Council regular member. AAM Regular Members with biosimilars revenue are automatic members of the Biosimilars Council. Please email AAM.membership for more details.

Biosimilars Council Associate Members

Corporation, partnership or other legal entity that is allied with, or supportive of, the interests, needs and policy positions of the Biosimilars Council and AAM. Please email AAM.membership for more details.
